Good morning Councillors,

Further to the attached, NYC's Estates Manager – Commercial and Major Projects reports:

- It does appear that NYC owns land in the area that is outside of the adopted highway.
- I have read the e-mail correspondence, and whilst we do own the land, we wouldn't propose to carry out any works to the land based on what appears to be an isolated incident.
- If the Police statistics indicated a continuing pattern of problems in this location we would consider this further.

With thanks.  
Best wishes,

Andy

**Andy Jennings**  
**Clerk and Responsible Financial Officer**
