Thanks Andy this is great  
Please can you add a request to the Parish Council's agenda for a fundraising event on the Green at Seamer. For Scarborough UTC F1 in school trip run by students living within the parish. [REDACTED]

Hi Andy  
Scarborough UTC have won a place at the world finals in the F1 in school competition. The world finals are expected to be held in Saudi Arabia in November. The team have to raise £30,000 for the trip. The students are looking to hold local fundraisers. As some of the team live at Seamer and Crossgates. They are looking at opportunities within the area. Could you advise us what would be their first port of call to apply for permission to use the green opposite Crossgates shops along with the community center and carpark for an event. Or permission to use the village green in Seamer. Or if you know of any other local venues that may be available.

kind regards
