Which areas are covered from Filey and Eastfield Police Stations?

The areas in blue and yellow – covered from Eastfield Police station. Areas in green – covered from Filey Police Station.

There were 76 incidents reported in your area during January. Incidents of note are as follows: -

08/01/2025 01:24 – Officers on patrol stop a vehicle on A64 near Staxton garage. The driver failed a roadside test for cannabis so was arrested on suspicion of drug driving. A search of the vehicle resulted in a zombie knife and a cat being found, the driver was also arrested for possession of the knife, the cat was returned home by Officers and had not committed any offences. Blood samples were obtained, and the male later released pending analysis of the samples. When Officers tried to park the vehicle, the handbrake failed so it was prevented from being driven by issuing a roadside prohibition notice. It subsequently failed the MOT so was sold to the motor trade by the owner.

09/01/2025 13:27 – Officers on patrol stopped a vehicle at Musham Bank roundabout. The driver had no insurance policy in place, so they were reported for this offence. The car was insured by the owner at the roadside prior to being let on their way by Police.

12/01/2025 16:45 – Officers on patrol stop a vehicle on Dunslow Road. A learner driver was being supervised by someone who had only recently passed their test. This meant that they were not driving in accordance with their license.

16/01/2025 01:57 – A member of the public reported seeing a vehicle that had crashed into the barriers on A64 Seamer-by-pass. Officers attended, the male driver was arrested on suspicion of being unfit through drink or drugs. When in custody, he provided a reading which was over three times the legal drink drive limit. He was later charged with drink driving.

18/01/2025 10:13 – A vehicle failed to stop for Officers in Seamer and again on Cayton Low Road. It was located back at its home address a short while later. The male suspect was arrested for a variety of offences and later released pending further investigation.

21/01/2025 23:46 – A vehicle was followed into town by Officers on patrol on Seamer-by-pass. It was stopped at Musham Bank where enquiries revealed the driving was not driving in accordance with their license. They were reported for this offence.

Introducing OP TRAILBLAZE: A New Initiative to Tackle Off-Road Vehicle Disruption in Forestry Areas

Introduction to Operation Trailblaze

Operation Trailblaze is a dedicated initiative aimed at addressing the increasing issue of anti-social and illegal use of off-road 4x4 vehicles and motorbikes. These activities have caused significant disruption to local forestry and wildlife habitats, threatening the balance of delicate ecosystems and impacting the safety and enjoyment of these areas for local communities and visitors alike.

The operation brings together law enforcement, forestry management teams, environmental agencies, and community stakeholders to tackle the problem head-on. By combining enforcement, education, and prevention strategies, Operation Trailblaze seeks to restore order to affected areas, protect wildlife, and ensure that these natural spaces are preserved for future generations.

Through targeted patrols, public awareness campaigns, and collaboration with residents, the operation aims to reduce the damage caused by irresponsible off-road activities, emphasizing the importance of respectful and lawful use of shared natural resources.

What can you do to help?

We are asking for your help to tackle the ongoing issue of anti-social driving in our local forestry and wildlife areas. If you see any 4x4 vehicles or off-road motorbikes being used irresponsibly, please report it to us.

Your information is vital in helping us identify and address this behaviour, which is causing significant harm to the environment, wildlife, and the safety of others.

To report sightings, please provide as much detail as possible, including:

- The location of the incident
- The time and date
- A description of the vehicles or individuals involved

You can report anonymously if you prefer. Together, we can protect our natural spaces and ensure they remain safe and enjoyable for everyone.
