

## **Report to Seamer Parish Assembly 6<sup>th</sup> May 2025**

The Halls calendar has been busy throughout the year with regular users and new bookings and enquires.

New lines for parking and disabled access outside of the hall has now been completed. Also, we have replaced the disabled access sign on the exterior of the hall to make it more visible to people parking to use the business next door. The guttering and down pipes have also been rubbed down and repainted, many thanks to Jim White for doing an outstanding job.

We have been fortunate enough to be offered two grants from North Yorkshire council, one for two A frame boards to aid our hall users to have parking outside of the hall when booking the hall and one grant to help with the cost of upgrading and replacing the boiler this year. Thank you to Councilor Heather Philips for sourcing the grants and applying for them on behalf of the Memorial Hall.

I would like to take this opportunity to thank the members of the committee of Seamer and Irton War Memorial Hall for their voluntary time, hard work and dedication in keeping the hall running smoothly, keeping it well maintained and an important part of the community.
